

JUNCTION: REVIEW TEARSHEET

The New York Times

“A cleverly constructed hostage thriller... solid acting (there isn't a weak performance in the bunch!)” – **New York Times**

THE HOLLYWOOD REPORTER

“A quietly effective thriller with a few narrative tricks up its sleeve.” – **Hollywood Reporter**

MOVIE BUZZERS

“A thriller that will leave you not only guessing – but shocked!” – **Movie Buzzers**

“Driven by its powerful plot, the beauty of the film is also seeing these characters develop and reveal layers of themselves that expose the reality of human nature.” --- **My City Everyday**

“Junction is one of those low-budget American indies that has everything going for it ... this film will take you to totally unexpected places!” – **Larry Richman, Fort Lauderdale Int'l Film Festival**

The New York Times

“Executing a tonal shift that might challenge a more seasoned director (this is his first film), Mr. Glazer provides carefully choreographed action and violence that's both credible and divorced from sadism.” – **New York Times**

Junction is an exceptional, exciting, intense character-driven thriller ... but is about so much more. - **Pop Culture Beast**

JUNCTION is an absolute winner. An edge of your seat thriller with a great cast and wonderful writing. This is a must see. -- **Scared Stiff Reviews**

An exceptionally well made film. - **InFlux Magazine**

RED BOX ARTWORK

JUNCTION mixes equal parts morbid humor and nail-biting suspense with a plot that keeps heading up unexpected pathways and getting more and more intense as it goes along. -- **HK Film News**

Junction makes for a visceral viewing ... a smart engrossing thriller that slowly careens into its real-life-like ending. Bravo. -- **Blunt Review**

The writing is fantastic. The performances are all top notch. A Must See! -- **DVD Verdict**

This is a totally intense film with excellent performances by the entire cast. Everyone has depth which makes this film not your average thriller. - **Pop Culture Beast**
